Dear Sirs,

Westbury Road is an adopted highway. I enclose a plan which shows the extent of the highway shaded in orange. Consequently it would appear that the property in question does abut the highway.

The Council's charge in respect of this information is £42.50 and I should be grateful if you would make your remittance payable to 'Bromley L B' quoting reference 571 086 8302.

The Council, as Highway Authority, believes the above information to be accurate, although this cannot be guaranteed. It should be noted, as a matter of highway law, that where disputes as to highway status and/or the extent of a highway occur, only a Court can issue a definitive interpretation.

Kind regards

Dear Ms Houghton

I attach a plan showing the above property edged red and should be grateful if you could indicate the extent of the adopted highways and footpaths in the vicinity of the property.

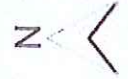

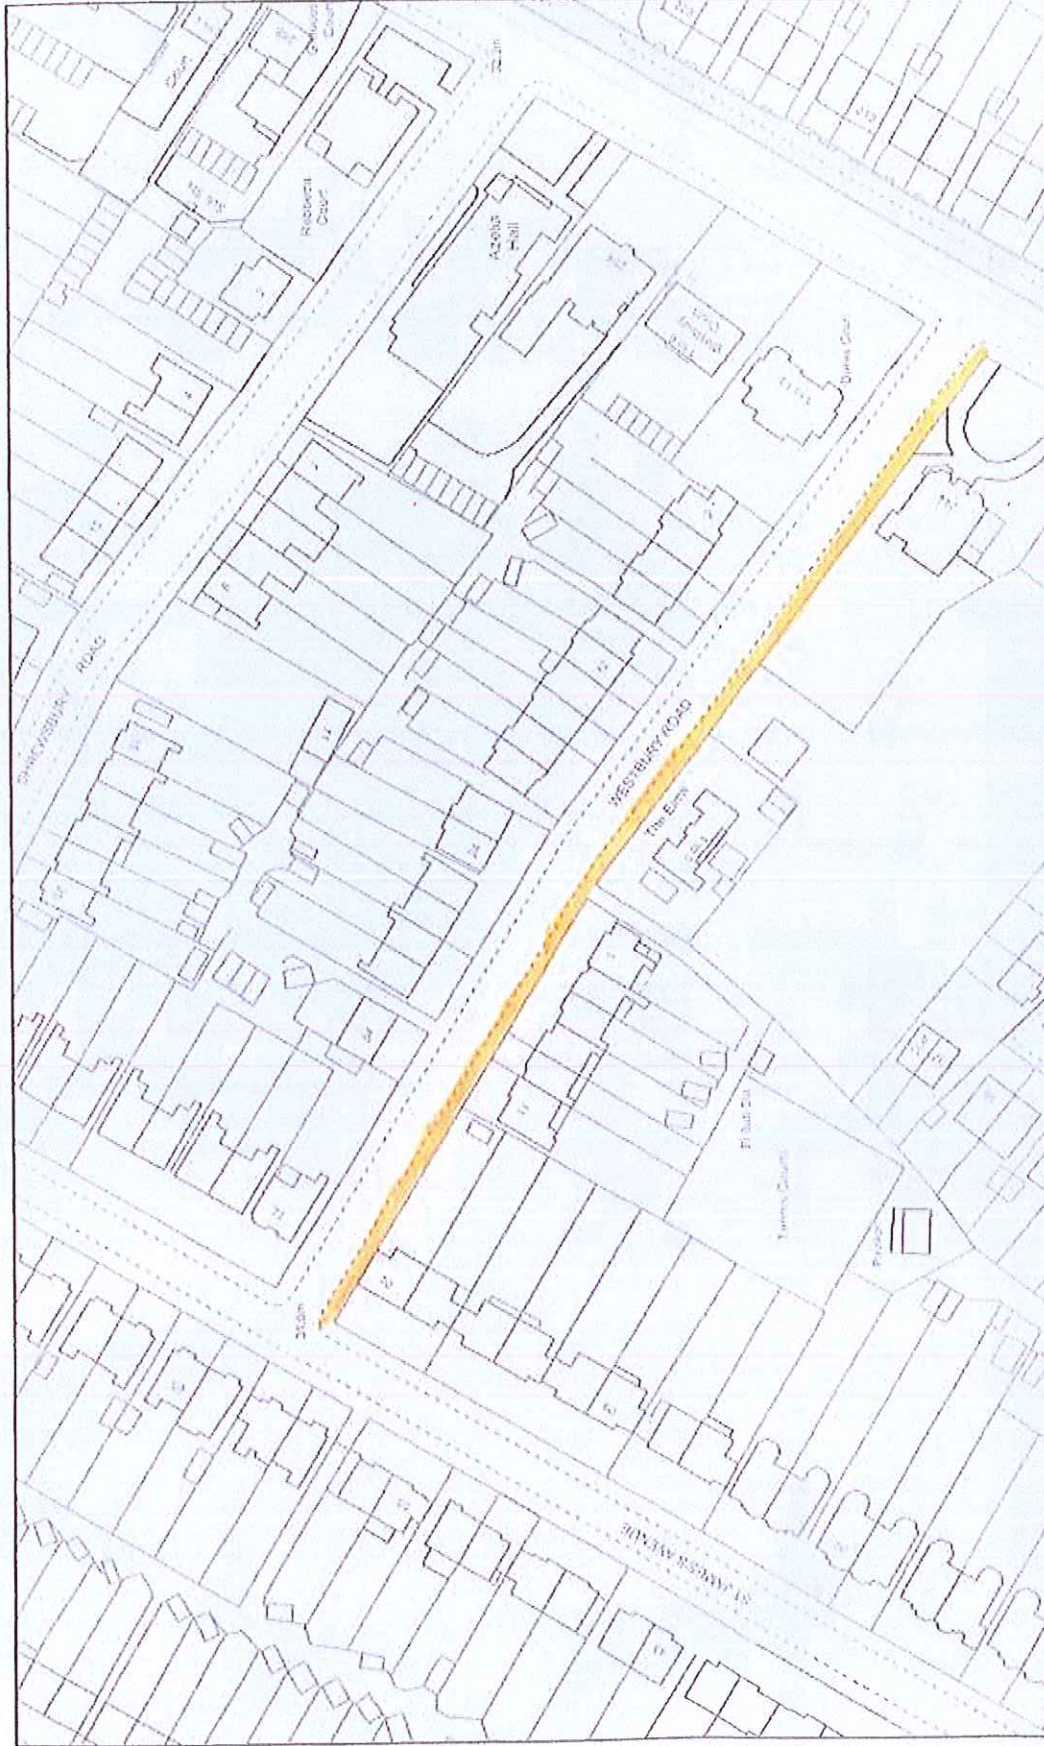

Please let me know if a fee is payable and I will arrange for payment immediately.

I look forward to hearing from you as soon as possible and thank you for your assistance.

Regards.
